YMCA of Niagara April Break Camp 2021

YMCA Day Camps provide children with a safe, active, outdoor and fun experience during the school breaks!

YMCA Day Camps have been reimagined for the April Break following Ministry of Health and Niagara Region Public Health guidance. Our top priority is providing a safe environment for our campers and staff.

Campers will remain with the same group for the duration of the camp week.
Each camper group will have a specific area indoors.

Campers will be outside as much as possible and should dress appropriately for outdoor activities.

Safety protocols and frequent disinfecting will be in place. This includes having campers and staff wear a mask indoors, physical distancing, frequent hand washing, health screening, individual equipment, and fun activities that encourage appropriate space between campers.

Ages

5 to 12 years of age – When possible, campers will be divided up into age specific groups of up to 10 children.

Camp activities will include

Active games & sports	Creative activities	Community & team building activities
Theme based programming	Personal character development	
Outdoor Discovery	Environmental Education
