Dear Youth Action Participants and Parents,

The YMCA of Niagara is proud to be a part of your neighbourhood through our YMCA Youth Action program at Simcoe Street Public School. Since we began in 2019, we have seen hundreds of neighbourhood youth attend the program and take advantage of everything the program has to offer. We have seen steady growth in our weekly attendance and while we are excited to see the continued popularity in the program, that popularity has required us to make a few changes to the program structure in order to keep Tuesday nights safe and fun for everyone.

Effective November 9, 2023 the following changes will go into effect:

1. Weekly registration prior to the start of the program will be required for anyone wishing to attend the program.
2. The maximum number of participants each night will be reduced to 20, down from its current maximum of 30.

Registration for the program is an easy process that allows participants to secure their spot in the program without worrying that they may be turned away at the door or feeling they need to arrive early to the site. All registrations will take place through Eventbrite, which is completely free to use. For your convenience, a QR code has been added at the bottom of this letter. Simply use the camera on your mobile device to be taken directly to the registration page and follow the instructions.

A few more notes about registration:

- Registration for the November 14th event is now open. Registration for subsequent weeks will open at 10:00am every Thursday for the following week's program. Registration will close 60 minutes prior to the start of the program on Wednesdays.
- Participants WILL NOT be able to register at the door. Once the system closes, they will have to wait until next week's program.

We want to thank you for making the Simcoe Street site one of the most popular Youth Action sites in the Niagara Region. We hope that by making these few changes, we can make the program even more enjoyable for everyone. Should you have questions or need more information, please contact us by email at youth.action@niagara.ymca.ca or by phone at 905-934-9755 and, when prompted, press '2'. For more information about Youth Action, please visit our website at www.ymcaofniagara.org.

Sincerely,

Steve Wideman
Director of Community Programs
YMCA of Niagara
