

## JOIN THE YMCA BOARD OF DIRECTORS

**We're in search of some wonderful humans that are passionate about having a positive impact on the communities of Niagara.**

We invite applications for new volunteer members to bring their skills and competencies to join the YMCA of Niagara Board of Directors at one of the most transformative periods in its history. By focusing on members, people and partners, the Y is poised to be a leader in delivering on our Mission and meeting the needs of the communities we serve.

---

Our strategic plan, Foundations for the Future, is the road map that paves the way to re-build and transform our YMCA over the next few years. We have a focus on inclusivity and accessibility in our membership, programming and leadership.

The YMCA of Niagara is seeking applications to serve on the Board of Directors. The ideal candidates will represent the diversity of our community and the Board has specifically identified a need for experience and expertise in the areas of finance, philanthropy, and government relations & public policy.
