STRONGER TOGETHER COMMUNITY CAMPAIGN 2024-25

Unlock Potential. Transform Lives. Strengthen Niagara.

Help us raise \$210,000 to empower Niagara's children, youth, and families. Your support will remove barriers, open doors to life-changing programs, and build a brighter, more inclusive future. Together, we can fuel growth, inspire leadership, and ensure everyone has the chance to thrive. When our community shines, we all shine.

Empower Brighter Futures

This Campaign Funds Impactful Experiences.

From day camps where children flourish to youth programs that provide mentorship, a sense of belonging, and skills for a future filled with possibilities to Health, Fitness, and Aquatics centres that support meaningful connections and well-being, this campaign creates opportunities that ignite potential.

STRONGER TOGETHER COMMUNITY CAMPAIGN 2024-25

Directing Support Where It's Needed Most

Funds raised through our Stronger Together campaign are directed to the areas of greatest need, providing essential programs and services to children, youth, and families across Niagara. From swim lessons that teach life-saving skills to youth programs that build confidence and leadership, your support helps us break down barriers and extend life-changing opportunities. Together, we're building a stronger, more inclusive Niagara, one program at a time.

Health & Well-being

Break Down Barriers to Access

Provide financial assistance to ensure every child, youth, and family can participate, regardless of their financial situation.

Achieving our mission depends on securing financial resources to support participants who require assistance accessing YMCA programs. In areas of greatest need, we offer critical programs at no cost to the community because they are essential to its health and well-being. Funding will enable us to remove barriers, ensuring that everyone, regardless of financial situation, can benefit from the opportunities that help them grow, lead, thrive, and belong.
