# JOIN THE YMCA OF NIAGARA BOARD OF DIRECTORS

## We're looking for changemakers who believe in elevating the potential of our Niagara community.

We welcome applications from passionate individuals with a wide range of lived and professional experiences. Whether you bring insight from business, education, innovation, governance, advocacy, or any field where you've led, built, advised, or influenced — your perspective matters here.

**Based on the current profile of our Board and the YMCA of Niagara's leadership priorities, we are particularly seeking individuals with experience in Human Resources.**

## Elevating Niagara, together.

At the YMCA of Niagara, we are guided by our Strategic Plan – ELEVATE, and committed to four priorities: leading intentionally, increasing investment, amplifying voices, and forging connections. As a Board Member, you'll help bring this vision to life—strengthening leadership, expanding reach, deepening relationships, and ensuring the YMCA remains a catalyst for lasting change across Niagara.

## Our mission is your mission too.

We invite applicants who align with our Mission (igniting the potential in people), our Vision (a vibrant, healthy, and inclusive Niagara where everyone can shine), and our Values (advocacy, caring, health, honesty, inclusiveness, respect, and responsibility). Your shared belief in these guiding principles is essential to the leadership we're building.

Those persons interested should address their resume, to the attention of:
