## Swim Lesson Transition Chart

As children turn six years of age, they will transition from the YMCA Preschool into the YMCA Learn to Swim program. Swimmers do not have to start at the beginning of the YMCA Learn to Swim program if they are currently enrolled in the YMCA Preschool program. The table below can assist instructors, caregivers, and membership service staff with the transition to new levels.

|                   |   |         |
|-------------------|---|---------|
| Completed Floater |  | Otter   |
| Completed Glider  |   | Otter   |
| Completed Diver   |   | Seal    |
| Completed Surfer  |   | Seal    |
| Completed Jumper  |   | Dolphin |
