EarlyON Child and Family Centres

Our EarlyON programs and services are in alignment with provincial guidelines and local directives to promote positive, meaningful, fun and safe indoor and outdoor experiences for our families and our team.

- **Fun, free interactive programs** for parents/guardians and their children (ages 0-6 years)
- **Pre-registration is not required for our drop in programs:** registration may be required for some programs to ensure we have the appropriate amount of materials, space and resources available.
- **Self screening** in advance of attending the program is required of all staff and participants. Anyone who is unwell should remain home.

St Anthony—June 5th PA day

St Anthony last day of program before summer break will be Thursday June 25

If registration is required, please email earlyon.admin@niagara.ymca.ca

EARLYON CHILD AND FAMILY CENTRES:

Activity	Date and Time	Location	Description
Self Care - Adult Information	Tuesday June 2	Thorold EarlyON	We spend so much time nurturing and caring for our children that it can be difficult to pause and take care of ourselves too. Drop in to learn some simple self-care tips and ideas to help make time for you.
Parenting Toddlers— Adult Information	Wednesday June 3	Grantham EarlyON	Watching your baby grow is a wonderful experience. They grow so fast and before you know it you have a toddler who is curious about the world around them! Have questions? Drop in to the centre and talk to an EarlyON facilitator about the good and challenging parts of raising a toddler and leave with positive ways to help your toddler grow!
Words Matter! - Adult Information	Tuesday June 9	St Anthony EarlyON	Did you know one single positive word can promote brain function in our little one's developing brains? Come learn a little more about how making small changes to our messaging can make a big impact on how children feel about themselves and others .
Pre writing skills begin to develop during tummy time - Adult information	Wednesday June 24	Thorold EarlyON	Before children are ready for writing, they need strong gross motor skills. A strong core, neck, shoulders, and fingers help them sit upright, control movements, and hold crayons or pencils. Read up on some information and activities like tummy time, crawling, climbing, and floor play help build the strength needed for future writing success when you join us today.
Self Regulation - Adult Information	Tuesday June 30	Niagara West EarlyON	Self-regulation is a child's ability to understand and manage their emotions, behaviours, energy levels and attention. Join us to explore information and strategies that can help support your child's self-regulation skills.
